**School Leaders 2017/2018**

# What has P&C Done in 2017

P&C is a not for profit organisation. All funds that we raise are put back into the school in various ways. Below is a snapshot of things that we provide every year. The p&c wish to thank you in your continued support of our fundraising efforts. It is due to this support that we are able to assist the school in many projects.

The uniform shop

Mothers day and fathers day stalls

Book club

The canteen.

Kindy orientation packs including library bags and hats for every new kindy student.

Yr 6 farewell pens and decorations at the formal dinner.

## 2017 P&C S.T.E.M. FUNDRAISING.

So far the P&C has forwarded \$9971.15 to the school. These funds were raised from a combination of the music festival, trivia night, catering for the district athletics carnival and a \$1000 grant that the P&C applied for and was successful. Below are some pictures of how the school has decided to spend these funds in order to enhance our children's' Science, Technology, Engineering & Maths learning.

Over \$6000 has been spent on robots and animation equipment. These are key components to teaching students coding, and various technology skills vital in todays learning,

While also having fun!

These include blue bots and bee bots.

Makeblocks mbots

And ogobild's animation cameras.

Nearly \$3000 has been spent on secure trolleys to keep our equipment safe.
