SRC Report

The SRC met last week to discuss activity ideas for the Fish Fest. We have heaps of great ideas to choose from for the day and are looking forward to a great fun day in week 8. We are still looking for donations of quality second hand books for our bookstall on the day. Any donations would be greatly appreciated.

Remember Friday of week 6 is Pyjama day. On this day students are asked to wear their pyjamas to school and make a gold coin donation. All money raised on this day will be donated to Stewart House Children's Charity, a charity that has benefitted students from our school in the past

Debating

On Wednesday 17th May, the Sussex Inlet Public School debating teams participated in Round 1 of the Premier's Debating Challenge. Both teams did extremely well and should be very proud of the effort they put in. The first debate to take place was Sussex Inlet A Team vs Ulladulla Public School. The topic for the debate was, "That we should ban homework for all school students". Sussex Inlet A Team was the affirmative and can be congratulated on taking out the win. The second debate for the day was Sussex Inlet B Team vs Vincentia Public School. The topic for the debate was "That we should get rid of school uniform". Sussex Inlet B Team was the affirmative and demonstrated excellent debating skills. The debate was close but in the end, the win went to Vincentia Public School. We wish our debating teams good luck for Round 2.

Southern Illawarra Soccer Team

On Tuesday 16th May, I went to play in the Southern Illawarra Soccer Team at Shoalhaven Heads.

After a warm up we played our first game vs Shoalhaven. It was a quick game and we scored some great goals eventually winning. It was a great start to our day.

Our second game was against Illawarra. It was a tough game with a very skilled opponent. We went down two-nil. It was our toughest game of the day but I enjoyed playing.

Our third game was against Far South Coast again a tough game but we won with lots of goals scored by our team.

Lastly, we played Eurobodalla and we won this game too. Our team finished second it was a great effort. All the teams played well and were great sportmen.

It was so much fun playing with the girls in my team from all other schools. It was competitive and I had a great time playing.

After lunch possibles and probables were called and my name was called. I was glad to be able to get the chance to play for a spot. It was a tough game with all the girls trying their hardest for a spot in the team too.

I was lucky enough to be selected into the South Coast team and now I get to play at the NSW trials at Miranda in August. I love soccer and am excited to be able to play and go to trial for NSW. It is such an awesome experience and I cannot wait to play.

Positive Behaviour for Learning – SAFE

As part of our PBL (Positive Behaviour for Learning) program, Sussex Inlet Public School is focusing on our values and expected behaviours. This fortnight our focus will be on 'SAFE'. We are particularly focusing on walking safely, staying inbounds, wet weather rules, and following instructions. Teachers and students will be demonstrating these behaviours in all areas around the school.

Rugby League Knockout

Last Wednesday the Sussex Inlet Public School Rugby League team took on Nowra East at home for Round 2 of the knockout. The boys had a convincing 34 – 6 win with great tries from Calvin Bown, Thomas Epere and Mitchell Kezik. The boys now progress to round 3 of the State Competition. Special thanks to Matt Firmstone and Matt Bettington for coaching and Emily Austin from the Panthers Footy Club.

Parliament and Civics Education Rebate (PACER)

Year 5 & 6 students, Ms Coyle, Miss Giagnori, Ms Ryder and Mr Quinn are this week undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Staff Car Park

Please note that the car park is for staff use only. Parents/Carers are requested not to drive in the car park to drop off and pick up students. Car park entrance to be kept clear at all times.
