2017/18

Term 2 Week 9 - 19.06.17

Dear Parents and Carers

On Friday, your child/children's reports will be handed out.

Below are some tips on how to best discuss the report.

Here are some ideas to consider when you open your child's report:

• **Focus on strengths.** Do you look for strengths or weaknesses first? The challenge is to focus on strengths even if they are not in the traditional 3Rs or core subjects.

• **Take into account your child's effort and attitude to learning.** If the report indicates that effort is below standard, then you have something to work on. If your child is putting in the required effort, then you cannot ask any more than that, regardless of the grading.

• **Broaden your focus away** from academic performance to form a picture of your child's progress as a member of a social setting. How your child gets along with his or her peers will influence his happiness and well-being, as well as give an indicator to his future. The skills of independence and co-operation are highly valued by employers so don't dismiss these as unimportant.

• **Take note of student self-assessment.** Kids are generally very honest and will give a realistic assessment of their progress. They are generally very perceptive so take note of their opinions.

• **Discuss the report with your son or daughter** talking about strengths first before looking at areas that need improvement. Ask for their opinion about how they performed and discuss their concerns. After reports are read and discussed celebrate your child's efforts with a special activity or treat. In this way you will recognise progress and remind them that the holidays are just around the corner when they can forget about assessment, tests and reports for a while.

Fish Fest

A big thank you to all of the teachers for organising some amazing activities for our fish fest last Friday and also to the hardworking students who helped set up and run stalls on the day. It was lovely to see so many students helping out younger students as well as demonstrating their manners as they moved around to the different activities. Altogether, we raised \$443.35 for our school. What a fabulous team effort and a super fun day.

This is the last week of home reading for term 2, please make sure that your signed home reading cards are returned to school on Friday so that winning classes for the term can be finalised and classes can return home readers to the library ASAP thank you.

Multicultural Perspectives Public Speaking Competition

On Wednesday 14th June, 2017 four students from SIPS represented the school in the Multicultural Perspectives Public Speaking Competition at Milton Public School. Bella Lord and Zac Johnson were selected from Stage 2 and Jai Klimiuk and Emily McNeil were selected from Stage 3. Stage 2 students were the first of the day to present their speeches. The topic for Bella's prepared speech was *The Same but Different* and the topic for Zac's was *Racism – It Stops With Me*. The impromptu speech topic was *Holidays*. Both students did extremely well and received Highly Commended awards for their excellent speeches. Stage 3 presented their speeches in the second half of the day. The topic for Emily's prepared speech was *Welcome to Australia* and the topic for Jai's was *Multiculturalism at School*. The topic for the impromptu speech was *Dreams*. Jai and Emily were able to think critically about this topic and presented fantastic speeches with such a short time to prepare. Congratulations to both students who did an excellent job and well done Emily on receiving a Highly Commended award. Thank you to the parents who drove their children to the venue and supported them on the day. It was a great day and certainly displayed the excellent standard of student achievement at SIPS.

'Act for Peace Cupcake Stall'

My \$1 Cupcake Stall is happening at recess, this Thursday 22nd June. All money will be donated to 'Act for Peace', an Australian charity which distributes food rations to Refugees around the world who have lost everything.

They also help Refugee kids receive an education, access clean drinking water, hygienic amenities, medical care & counselling. Please send your child into school with \$1 to buy a cupcake & support this awesome cause.

This week is Refugee Week & I'm taking the 'Ration Challenge', eating the same rations distributed to Syrian refugees in Jordan. Its day 2 and I have to weigh my small portions of food to make sure I don't run out by the end of the week. I have newfound compassion for those who have to live like this indefinitely. To learn more or donate please visit

(Donations over \$2 are tax deductible.)

With many thanks, Ana Leaver.
