Merit Awards

NSW PSSA Girls Soccer Championships

Congratulations to Maddy Harris who competed as part of the South Coast Team at the NSW Football Championships. The coach congratulated Maddy on her sportsmanship, behaviour and attitude throughout the tournament. She did SIPS very proud! Following is a recount of Maddy's time at the championships.

Last week I travelled to Kareela to participate in the NSW Football Championships as part of the South Coast Team. It was a tough competition but I had a lot of fun and made some new friends.

Day 1 was a challenge for my new team and our first match was against Mackillop. It was a good start to our tournament. Game 2 we played Riverina and I got back into the mid field. We had a brilliant game winning 5 - nil, big effort from our girls. Next we took on last year's winners in Sydney North, they were tough and unfortunately we went down 3 - nil.

Day 2 we were determined to win a few more games, and I was back in to the mid field. We competed against Hunter it was a rough and physical game but we stood tall and came away with a nil all draw. Next up was Sydney East Blue, we won this game 3 - nil. Last match of the day we took on Sydney South West which was a close encounter with 2 minutes to go we got a penalty at the 18 yard mark and I slotted it in and the keeper fumbled and my team mate chased it in for a goal. We won 1 - nil. That meant we finished 3rd in our pool.

Day 3 brought finals and we took on Sydney East Red in another tough match but we went down 2 - nil finishing the tournament in 6th place. I had so much fun I hope I make the team again next year so I can do it all again.

Premier's Reading Challenge

The 2017 Premier's Reading Challenge has concluded with 230 of our wonderful Sussex Inlet Public School students attempting this year's challenge and 207 pupils successfully meeting the challenge. Congratulations to all of these children and those who were successful with the challenge can now look forward to receiving a certificate from the Premier during Term four.

It has been a pleasure to see students enjoying a wide and varied range of quality literature that is available to them from our school library and I thank our relief Librarian, Miss Kelly Ingram and our dedicated teaching staff for supporting the PRC this year.

SIPS would like to extend a huge thank you to all parents, grandparents and carers who have assisted our children with the PRC. Your input and assistance is invaluable.

If anyone has any enquiries regarding the PRC please contact the school.

Sticks & Wombat from The Block visit SIPS

We were very fortunate to have Sticks and Wombat from The Block find time to visit us last week as part of Bella Lord from 4/5R's news. We were very impressed with Bella's great interviewing skills. Well done Bella!

Head Lice

Head Lice have been detected in the school. It is extremely important for you to check your child's head for head lice today. Check around the ears, back of the neck and under the fringe. Everyone in the family needs to be checked. If you do find head lice, commence effective treatment immediately and be sure to complete the process of treatment. This will help prevent head lice spreading. Head lice can make you feel uncomfortable but they won't hurt your health.
