VOLUNTARY SCHOOL CONTRIBUTIONS

Dear Parents/Guardians

With the agreement of this school's community we seek from parents and carers an annual Voluntary School Contribution. Funds raised through this contribution will be used to supplement educational resources and programs in our school.

Funds raised from the voluntary contributions will be spent in the areas of Technology, Science, Environmental Education, Health and Personal Development, and on resources for our Creative Arts programs. These are areas of the curriculum which often need to be replenished, to ensure that all students have access to interesting and motivating activities.

The Voluntary School Contribution for 2018 has been set at \$15.00 per child.
