

Sussex Inlet Public School

ICAS Competitions

The International Competitions and Assessments for School (ICAS) is a suite of independent skills-based assessments with a completion element. ICAS provides schools with a unique opportunity to measure students' achievements in Digital Technologies (Previously - Computer Skills), Science, Writing, Spelling, English and Mathematics. The tests identify individual and school-wide strengths as well as those areas which may benefit from a greater allocation of resource. ICAS caters for students at all achievement levels in both primary and secondary schools. Students from year 3 – 6 may enter.

Please Note: We must have a **minimum of three students in each subject per year** for the exam to go ahead.

To find out more about ICAS go to <https://www.eaa.unsw.edu.au/icas/about>
