Book Fair

Our annual book fair is on again this Education Week! There are lots of great titles at very competitive prices for pre-school to upper primary aged children. Our book fair helps support our library to buy new books to help encourage our students to read and the great community support we receive for the book fair each year is always greatly appreciated. The book fair will be open on Open Day, Wednesday, 8th August and also before and after school on Tuesday, 7th August. Thank you for supporting our school library.

Enrolment Kindergarten 2019

If you have or know anyone who has a Kindergarten aged child and is looking to commence school in 2019, please ask them to contact the school to update our records. Enrolment forms will be sent home soon.

The Regional Rod Wishart and Paul McGregor Finals

Last Thursday the Sussex Inlet Public School Junior 7 a side Rugby Team travelled to Albion Park to play in the Regional Rod Wishart and Paul McGregor Finals. The team was made up of Tyson, Sam, Hayden, Aiden, Finn, Brandon, Blayden and Bailey.

The boys put in an excellent effort against some strong schools and kept it up for all of the 4 games that they played. They came away with 3 losses and one draw so unfortunately the boys will not progress any further in the competition. Try scorers were Blayden, Finn, Aiden and Sam with Tyson contributing with a conversion.

We appreciate the support of Ron, Daniel and Greg as well as the parents who provided transport for the boys to get to the venue.

Congratulations boys on making it as far as you did and doing your school proud.

Mr Douglass

Thank You to Mrs Ingram!

A huge thankyou to our wonderful cleaner Mrs Ingram who has donated two brand new sets of competition netball bibs to the school. We appreciate your kind donation and thank you very, very much. We'd also like to acknowledge the hard work and time Mrs Ingram gives us by helping train and improve our skills in netball. Mrs Ingram you are awesome!

Sussex Inlet School Website

At present the website is being migrated to a new platform by the Department of Education.

It will take a minimum of two weeks and during the process our existing website is 'frozen'. It means that we are not able to make changes to our existing website until the new website has gone live.

It is still possible to go in and view the contents of the website.

It will still be possible to make payments with the Online Payment Tab on the website.

When the website is up and running, we will update our Calendar & Newsletter file.
