Premier's Reading Challenge

The Premier's Reading Challenge has concluded for 2018. No further entries can be made by the school's PRC Coordinator as of Friday 14th September.

Sussex Inlet Public School students have once again stepped up to the challenge with 184 students meeting this year's challenge. Well done everyone, a fantastic effort! Students can now look forward to receiving a certificate from the Premier in term 4. Congratulations to the 13 platinum awards winners from Stage 3 and the 34 gold award winners. Platinum students have completed the Premier's Reading Challenge for 7 years and gold award students have competed for 4 years. This year changes have been made to the privacy rules regarding publication of student names on completion of the challenge. The new rule is - there will be NO student names published on honour rolls from this year forward. Only the names of SCHOOLS which have students receiving Gold and Platinum certificates and PRC medals will be featured.

The PRC has joined Instagram. Parents can follow at <https://www.instagram.com/nswprc/> where you will find some great bookish updates. Over the next few weeks the PRC will be running some insta-comps, so keep an eye on their feed for your chance to win some great book packs!

Thank you again to everyone who assisted students with this year's challenge!
