Leisure Sports 2018

The School Leisure Sports program concluded last Friday. Students were given the opportunity to participate in sports that they would not normally do at school. The program is free of charge thanks to Sporting Schools funding. This funding means that we can hire venues, coaches and extra staff to facilitate these sporting experiences. Thank you to all the teachers, coaches and volunteers who helped to make the program possible. We look forward to next year.

Mr Douglass.

Melodie Buchanan – The sport I chose was orienteering. I had a great time and my favourite activity was when we had to get into a team and read off a map to find blocks in a certain amount of time. Thank you Miss Coyle for running it and giving us a great time.

Le Breuer – Orienteering was an adventure, it was a fun and enjoyable experience. We got to play challenging games using maps and compasses. In these games we got to go through the school collecting treasure. As you progress through the games you learn how to communicate with others, show teamwork and cooperate with team mates. I made new friends and learnt new skills. Thankyou Ms Coyle for coaching orienteering.

Liam Murphy – Bike riding was really fun. On one of the days we went up to the lake for a paddle because it was so hot to go on a big ride. We got to go on rides with Mr Douglass. On the last day we rode up to Cudmirrah Shops and we were allowed to get something to eat. We rode back to school. I really loved bike riding and I hope I get it next year.

Bike Riding Group

Bailey Kezik – For my leisure sport I chose swimming. We had the best teacher even though she made us do heaps of laps it was fun. We had a relay race. Blake's team won and my team lost by a long way. We played heaps of games such as Under Over. My favourite part was when we had to run around the path then dive in for a lap until Helen told us to stop. Thanks Mrs Banwell for taking us over.

Isabella Safi – The Yoga Room was a very relaxing and calm place to be at the end of the day. We had lots of fun doing the yoga poses and stretches. Thank you Mrs Cameron for guiding us through the sessions and helping us understand the difficult poses.

Luke Blundell – Everyone had a great time at Futsal. Thank you Mrs Ryan for taking us over to the hall. I scored a couple of goals and I'm excited to do it once again next year.

Laini Glover – I did dance for my leisure Sport. It was awesome we learnt so many of the best moves. We did Uptown Funk, The Wobble, The Juicy Wiggle and the Beat Sound dance with our feet.

Some dances were old style such as Do You Love me and some were modern like Uptown Funk. We did the Macarena and we also got to make our own dances up. I would like to give a big thankyou to Mrs Ryder.

For leisure sports I did tennis which I also did last year.

This year I learnt more skills. We got ice blocks every week except the first week. Our coaches names were

Dough and Ryan. I always kept hitting the ball over the fence. I found this was funny. On the last week, I was going to go hit the ball, and the ball got caught in my tennis racquet, I was like where did the ball go? Jaxon Croker
