Harmony Day 21st March

Harmony Day is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. Australia is a vibrant and multicultural country - from the oldest continuous culture of our first Australians to the cultures of our newest arrivals from around the world. Our cultural diversity is one of our greatest strengths and is at the heart of who we are. It makes Australia a great place to live. Orange is the colour chosen to represent Harmony Day. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect. Students and teachers can choose to wear something orange on 21st March to show their support for cultural diversity and an inclusive Australia. All classes will be doing some harmony day activities this week in the lead up to Harmony Day.

Lots of Socks Day 21st March

World Down Syndrome Day, 21st March, is a global awareness day which has been officially observed by the United Nations since 2012. It is about awareness, acceptance and inclusion for people with Down Syndrome. Sussex Inlet Public School will be having a lots of socks day and students are being encouraged to wear socks that are a little bit different, on their feet, on their hands, in their hair, wherever, in order to celebrate World Down Syndrome Day. Gold coin donations will be collected on the day to support the work done by the Down Syndrome Association on NSW. We thank our families very much for helping us to support this day.
