Athletics News

The results for the field events were finally completed last Friday. We were also able to run the 1500m event which saw students completing 5 laps of the Thomson Street running track. There were some excellent performances in this very gruelling event. The Athletics Presentation Assembly will be on Tuesday at 2:15pm. Parents are welcome to attend. Results are following.

Multicultural Perspectives Public Speaking Finals

This Thursday our school will host the Multicultural Perspectives Public Speaking Finals. Tomerong P.S. and Milton P.S. will join us to decide the best Public Speakers in our area. Our contestants from Year 3 and 4 are Tahlia Zaccane and Faith Nevin, whilst our Year 5 and 6 contestants are Bella Lord and Charlotte Macdonell. The Year 3 and 4 finals will be held from 10am-11am and the Years 5 and 6 finals from 12pm-2pm. We wish our contestants the best of luck.

Girls Soccer

On Thursday 13th June the girls school soccer team made the long trip down to Broulee to play their Round 4 match of the PSSA knockout competition. On arrival it was clear that we would be facing a difficult match against a physically tough opposition. The first five minutes was a scrabble as we found our feet against a fast paced and confident Broulee team. However our team soon found their structure and our defence never hesitated as the girls faced tackle after tackle. Darcy Stewart was calm under pressure and made a number of great saves as goalkeeper. After half time the girls went out with a fresh determination and this time they kept the ball up Broulee's end for most of the half showing our skill, speed and ability to play as a team. Jayme Firmstone played her first game for the school and showed great confidence to set up a number of plays from centre mid. Finally our girls were rewarded with a well-deserved team goal finished off by Hailee Glover. The last five minutes saw Broulee make some last minute come back attempts that kept us all a little nervous but they were held out by our defenders and substitute goalkeeper Laini Glover to seal a 1-0 win. This team of girls is a pleasure to watch and great representatives of our school in terms of their sportsmanship, encouragement of each other and team play. Thank you to our parents who transported our girls all the way down there for their game. We look forward to our next match and are awaiting the results of other games to see who we will play in the next round. The team consists of Charlotte MacDonell, Laini Glover, Hailee Glover, Bridie Glover, Melodie Buchanan, Darcy Stewart, Maddi Austin, Isabelle Farrugia, Bella Lord, Violet Keywood, Liliana Klimiuk, Jayme Firstone and Ella Crehan.

Natural Art and Craft display celebrating NAIDOC 2019

Students are invited to create their own original item to contribute to our display in Term 2, Week 9.

Your creation must be made from natural material from our local area.

You can represent a theme (animals, landscape, rivers, people, traditions) as in a painting, drawing or sculpture. Or your creation can be functional as in, it is used for a purpose like communication, carrying or storing things (clapping sticks, coolamon, string bags, home-made painting brushes).

Please be considerate to our beautiful natural environment and only use found objects and use just enough for your creation.

Due in this term, Week 8, Thursday 20th June, to Mrs Hill.

SRC PJ Day 5th July, 2019

The SRC will be having a Pyjama day on Friday 5th July to raise money for Stewart House. Students have been asked to participate by wearing pyjamas or onesies, and dressing gowns to school and bringing a gold coin (or more) donation to Stewart House to school on the day. Stewart House is a children's charity which offers a free-of-charge residential program for children from NSW schools with activities which focus on building self-esteem, resilience, social skills a personal sense of wellbeing as well as dental, optical, hearing and health screenings for all students.

Sussex Inlet Public School and many other schools in our area have had students from our school lucky enough to attend this valuable program in the past.

Stewart House handballs are also available for sale from our front office every day. These handballs cost \$3 each and money raised from the sale of these goes to Stewart House

Library News

On Friday 14th June we enjoyed a working together day as part of our ongoing collaboration with Salesforce, a cloud based web design company that is partnering with our school to support the development of flexible learning spaces, ongoing professional development and further implementation of learning programs that support 21st century learning skills in our students with a particular emphasis on STEAM education (Science, Technology, Engineering, the Arts and Mathematics). Our school established this partnership as a part of our ongoing commitment to strengthen our future focused learning strategies for our students to equip them with the learning skills that will be required by the diverse roles they may choose to go into as lifelong learners.

The day was a great success with the library now ready for the delivery of some new furniture to finish the refurbishment. It was fantastic to see our students working alongside web-designers, code programmers, and project managers to build a play library or prepare a wall for painting and overhear some of their conversations about what they do in the STEM field. It was also quite enjoyable to watch some of these highly qualified experts discuss the best way to put a cubby house together with ongoing consultation from Mrs. Coyle.

We made sure to have a quality control inspection from some kindergarten students who assured us it passed muster.

Thank you to our wonderful volunteers and staff who contributed time, tools and lunch to make the day a success and to Mrs Coyle for the huge effort in the ongoing organisation. A special thanks also to Mrs Banwell for using her sewing expertise to organise the recovering of all our library lounges and stools. We are so excited to see our library transform into a flexible learning space that supports students to become independent learners who can engage in critical and creative thinking through hands on, collaborative learning projects.

P & C News

The P & C meeting is on tonight at 7pm all is welcome to attend we looking forward to seeing you all there tonight The uniform shop will be open on Tuesday afternoons from 3.00pm – 3.30pm.
