**Girls PSSS Soccer Knockout**

The girls' school soccer team faced a tough match up against Pambula Public School in their Round five match of the PSSA knockout. The girls were under fire straight away from a well organised and skilled Pambula, however within a few minutes play Sussex began to make some counter attacks. Most of the first half saw the ball stuck in the centre of the field with the two teams centre mids going tackle for tackle all half. As always our defence worked together to repel any attack from Pambula. Bridie Glover and Mel Buchanan have shown excellent leadership this year in the backline and were strongly supported by new players Hayley Howard, Jayme Firmstone and Isabelle Farrugia. Unfortunately a very late corner right on the half time whistle saw Pambula go into the break 1-0 up. A second goal to Pambula not long after half time signalled a change of tactics as Sussex pushed all available players up in an effort to get back into the match. There were a number of breaks through from Sussex but unfortunately we were unable to capitalise in front of goals. The final score was 4-0 to a well deserving Pambula team. We would like to thank Mark Johnston, Kyle Jarrett and Sam McNeil for assisting with refereeing our game and to our parents and carers for supporting our team at all our matches this year. Our students have shown excellent sportsmanship and team work this year, in our games and at practices, and we are very proud of the girls. The team consists of Charlotte Macdonell, Hailee Glover, Laini Glover, Bridie Glover, Melodie Buchanan, Darcy Stewart, Hayley Howard, Violet Keyword, Liliana Klimiuk, Jayme Firmstone, Bella Lord, Maddison Austin & Isabelle Farrugia. Well done girls!

**The Senior Soccer/Netball Gala Day**

On Friday 28<sup>th</sup> June 2019, St Georges Basin, Huskisson, Vincentia, Tomerong and Sussex Inlet Public Schools came down to Thomson Street Oval for the annual soccer/netball gala day. During the preceding week everyone was super excited about this event. There were all different kinds of teams. There were boys and girls A and B teams and mixed teams in both sports. The Girls' soccer team had a fun and successful start against Huskisson. Bridie scored a goal and we won 1 - 0. When they switched schools to play Sanctuary Point, Bridie and Laini both scored goals. The Boys' team played a great game against Tomerong. They played with fantastic sportsmanship and great determination. In the netball the mixed Sussex team had a great day learning new skills. Lennex scored three goals. Thanks to Mr Douglass and Mr Vidler for their organisation. Thanks to Mrs Ryder and Mrs Ingram for coaching the Girl's and Mixed Netball teams. A big thank you to Lisa Glover and Nicole Croker for managing Teams. Thanks to the Sussex Seahawks Football Club who were kind enough to lend us their temporary goal posts. ### Mural Project- Peace Park, Sussex Inlet

Sussex Inlet and District Community Forum's secretary, Mrs Gail Drummond, in conjunction with local artists Kylie Douglass, Robert Simpson and Steven Douglass have been creating a mural based on the theme "Our History, Our Heritage". Some of our students were able to contribute their hand and arm prints onto the background. These images will symbolically represent people past and present and our surrounding land, trees and forest. The artists have been working on their paintings inspired by historical photographs which hold a record of the history of Sussex Inlet. The mural is now complete and will go on permanent display in the Peace Park (near the cinema). The official opening of the Sussex Inlet streetscape and the mural unveiling is on Saturday 13<sup>th</sup> July at 10.30am (the middle Saturday of the school holidays) at Peace Park, Sussex Inlet. Students who contributed their hand and arm prints were:- Jordan, Haylee, Aidan, Finn, Bridie, Hailee, Laini, Callum, Sarah, Ethan, Eden and Leevi. All are welcome to attend the official unveiling of this amazing asset for our town.

Mrs T. Hill

**Dear parents, guardians and carers**  
**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

### **P & C News**

Well this is the last newsletter for the term and hasn't it gone fast. Thank you to everyone that has supported the P & C over the last few months it has been so wonderful to see all the support from the parents so thank you. Starting from week one next term the school canteen will have to put the price of the mini pies up to \$1.00 each as they needed to be sourced from another supplier due to the star rating which we needed to follow from the Dept. of Education.

The uniform shop will be open on Tuesday afternoons From 3.00pm – 3.30pm.

Alternatively, you can place an order via the front office.
