2019/4

Term 1 Week 4 – 18.02.2019

What a wonderful day we had at the Sussex Inlet Aquatic Centre last Tuesday. Thank you to all the staff and parents who assisted in making the day such a success. A big thank you to Mr Jim Douglass for his organisation. I was so proud of all our students.. well done SIPS!!

Everyone is settling back into school and getting to know their new teachers, new classmates and new routines. This week K-2 teachers will be holding their parent information sessions. Please come along as this shows your child that you are working with the teacher and the school, and together we can help your child both academically and socially.

Tonight is our first P & C meeting for the year. Please support your school and attend these meetings. Parents as partners in the education process, have a right and a responsibility to play an active role in the education of their children. The meeting starts at 7pm and all are welcome.

School Leader Induction Assembly

SIPS Swimming Carnival

Last Tuesday saw another great swimming carnival held at Sussex Inlet Aquatic Centre with students showing excellent behaviour and sportsmanship. Once again there was terrific support from parents, teachers and students who all combined to make for a fun and competitive day.

A special well done to Sam McNeil who broke the 11 year Boys Breast Stroke Record with a time of 54.40 and Jayme Firmstone who broke the Junior Girls Breast Stroke record with a time of 56.41.

The support from all the parents who volunteered was very much appreciated. A special thank you to Ms Glover, Miss Garrett and Mrs Murphy who came in on their days off to lend a hand and to all the other SIPS staff who worked hard on a very hot day. Thank you to all the pool staff for providing us with such a great venue.

Most importantly, congratulations to all students who competed and participated with great house spirit and to those students who encouraged their house mates with great enthusiasm. We have 22 students going on to Bomaderry Pool on Friday 22 February for the District Championship. We wish them all the best of luck.

The results and the district Team attached.
