Mural Project - Lions Peace Park

Sussex Inlet and District Community Forum's secretary, Mrs Gail Drummond, in conjunction with local artists Kylie Douglass, Robert Simpson and Steven Douglass are creating a mural based on the theme "Our History, Our Heritage". The mural boards were transported to Sussex Inlet Public School on Tuesday 26th Feb. Some of our students were able to contribute their hand and arm prints onto the background. These images will symbolically represent people past and present and our surrounding land, trees and forest. The artists will now be working on their paintings inspired by historical photographs which hold a record of the history of Sussex Inlet. Sometime this winter the mural will go on permanent display in the Lions Peace Park near the cinema. Students who contributed their hand and arm prints: Jordan, Haylee, Aidan, Finn, Bridie, Hailee, Laini, Callum, Sarah, Ethan, Eden and Leevi.

Mrs T. Hill

Premier's Reading Challenge

Sussex Inlet Public School has been registered for the 2019 Premier's Reading Challenge. Students who wish to participate in the Challenge are encouraged to complete their own online reading records as they read and enter any books on-line via their student portal. Students may enter their books at school or at home if access to a computer with the Internet is available. Parents can assist students to enter their records at home. A reading record is completed by either entering the PRC ID number of each book or clicking on titles from a drop-down PRC list. Many choice books can also be selected from a drop-down list. Assistance and a weekly check/update will be provided at school to any student who may be unsure, is having trouble entering books they have read or is in need of their reading record to be updated.

The Challenge opened on the 4th March 2019, however books read from 1st September 2018 can count towards the 2019 Challenge. To experience a book a child can listen to the book, participate in a shared reading of the book or read part or the entire book independently. Students who require special support may listen to unabridged audio versions of text. Children in K-2 can experience books in their home language and those who can read simple chapter books independently are encouraged to attempt the 3-4 Challenge.

Stage 2 & 3 students can read choice books in their home language.

Initiatives such as the Premier's Reading Challenge not only encourage children to discover a love of reading but also help develop essential learning habits such as being organised, meeting deadlines and being accountable by taking responsibility for their reading. SIPS would love to see **all** families participate in this year's Challenge to help promote a reading culture in every home and establish a goal for families, parents and caregivers to share books with their children every day and establish the benefits of reading as a life skill. All information regarding the Challenge can be accessed at – <http://www.schools.nsw.edu.au/premiersreadingchallenge> or contact the school.

"The more you read the more things you will know. The more that you learn the more places you'll go."

- Dr. Seuss, "I Can Read With My Eyes Shut!"

Clean-Up Day

On Friday 1st March, Sussex Inlet Public School had a clean-up day. We were very lucky to have some amazing visitors and volunteers helping us on the day. We would like to say a big thank you to Graham Williams, who did an amazing job volunteering to clear our school nature area on Thursday afternoon and Friday morning, the team from Salesforce in Sydney who came down to support us, the Sussex Inlet Bush Fire Brigade, who turned up with their fire engine, which was very exciting, the Sussex Inlet Bowling Club who hosted and provided refreshments for our school leaders who walked down to clean up the Lions Park, and the parents and friends who came along to show their support of our school by joining in the clean-up. We are very lucky to live in such a beautiful area and have such supportive people around us. After the clean-up students were involved in sorting the rubbish that was collected, with recycling and soft plastics being separated from the landfill.

P & C News

Just a friendly reminder that the AGM will be held on 18th March. Everyone is welcome to attend. In the last week we have ordered gifts for the Mother's Day Stall. By ordering early we were able to get a better range at lower prices. If you have any questions or thoughts please send an email or give us a call.

email: sipandc@gmail.com. You can also follow us on facebook.

The uniform shop will be open on Tuesday afternoon from 2:30pm - 3:15pm. Alternatively, you can place an order via the front office. A huge thank you to Tina and Sharyn for manning the shop.
