Premier's Reading Challenge

The Premier's Reading Challenge is now well underway for 2019. Two hundred and nine of our students have begun the challenge. Forty five of our students have already completed the challenge and have had their records validated. Congratulations to these students on this fine effort.

A huge thank you to all members of our school community, class teachers, parents, carers and our school librarian, Mrs Glasson for your continued support of students participating in this year's challenge.

Many of our students have the opportunity to receive a Gold Award at the completion of this year's challenge, so let's go everyone don't let all your hard work from three previous challenge years go unnoticed, strive for those Gold Awards! Students who are dedicated enough to complete the PRC for seven years will receive a Platinum certificate and we do have 5 students in Year 6 who can achieve this outstanding result. Well done!

Easy reads: Students can find books that are easier to read whilst being appropriate for their challenge level by accessing the PRC home page and typing **easy reads** in the Search box (top left of screen) for a list of titles. You can be more specific by typing **Year 3 easy reads etc.**

Also, search for *Aussie nibbles, bites or chomps*; *Making tracks* series (3-4) and *Lightning strikes* series (5-6).

SIPS has the full list of books that are easy reads so please don't hesitate to ask for a range of titles if this would help with the challenge.

Series Books: In an approved series, any two books from the series can be read as part of official PRC reading. Up to five other books from the same series can be read and recorded as personal choice books if personal choice books (5) have not already been used.

This years' SIPS K - 6 Home Reading Program is an excellent opportunity to complete two tasks at once by reading every day and reading PRC books students can tackle both jobs.

Parents can access information regarding The PRC at - www.schools.nsw.edu.au/premiersreadingchallenge.

Year 5 & 6 Canberra Excursion

Stage 3 went to their Biannual Canberra excursion Tuesday 2nd April – Thursday 4th April. We all got away on time and we were so excited. The bus trip went for ages, but we didn't care.

Our first stop was the War Memorial where we got to sit in a helicopter, submarine, light show and visit the War 1 and 2 exhibitions. It was very special.

We then went to the Old and New Parliament Houses and we got to see both the Senate and House of Representatives sitting. We saw Scott Morrison, Bill Shorten, Clive Palmer and Ann Sudmalis. It was awesome. We also saw the Magna Carta which we have been learning a lot about. At the old Parliament House we compared the old to the new and we even got to role play.

We also went to the Dinosaur Museum where we learnt that Sussex Inlet PS are experts at dinosaurs. This was so much fun and we got to see a lot of different dinosaurs and learnt a lot of new information. Our bus broke down on the way home and we had to swap buses.

The next day we went to the Mint where we saw a lot of money. We saw robots and learnt about them. We learnt a lot of information about our money and it was really interesting. Next we went to the Exhibition Centre where we learnt all about Canberra itself. We also went to the park for lots of games and lunch. Later that night we did the AIS (Australian Institute of Sport) tour where we saw different arenas where the athletes train. Also we went to the gaming area where we tried our skills in basketball, rowing, strength training, cycling, skiing, target practice and soccer. This was exciting and lot of fun. The next day we went to visit the Peace Bell, Anzac Parade where we saw lots of memorials. Our favourite was the Light Horse Brigade. We went for a drive to see the Embassies and we saw the FBI. We also visited Questacon where we had so much fun. Lots of us went down the Giant Slide. It was so scary.

Overall we had a great time, made lots memories and learnt a lot about our Government and our Capital City.
