Term 2 Week 1 – 30.04.2019

Dear Parent and Carers

Welcome back! Firstly I want to thank all the parents who brought their students to the Anzac Day march in Sussex Inlet and also for the students who performed in the school choir. We received a lot of great feedback on their enthusiastic performance. Our school Anzac assembly will be held in the school hall on Thursday 2 May. All are welcome to join in this ceremony.

Sadly we had to say goodbye to Ms Blessing and Mrs Ryan at the end of term 1. Both have moved on to new schools and we wish them all the very best. Mrs Picton will be replacing Mrs Ryan on the year 3 class for the remainder of the year. Mrs Powell will be replacing Mrs Blessing.

Term 2 is always a very busy term, with NAPLAN, athletics carnival and Semester 1 reports. As these approach, we will keep you informed via the newsletter, Facebook and the school app.

Cross Country

We were fortunate to have such a lovely day for the Cross Country and Fun Run after the previous cancellation due to the weather.

Thank you to all the family members who came and supported their children to make the day even more special!

The Thomson St track was in great condition with viewing and supporting our competitors made easy as they made their way around the course. We were really impressed with the sportsmanship shown by our students and their commitment to their races.

Marlin were the overall carnival winners. Well done! .

The top 6 placings from the 3 - 6 year Cross Country will now go onto the district carnival. Notes have been sent home today.

Attached to the newsletter are the Cross Country & Fun Run results, District team and House Point scores.

Parliament & Civic Education Rebate (PACER)

Year 5 & 6 students, Mrs Ryder, Mrs Banwell, Mr Douglass & Mrs Hill went to Canberra to complement our History unit, 'Australia as a Nation.' This was a wonderful experience that focused on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the National Capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed funding of \$20 per student under the Parliament and Civics Education Rebate Program. The rebate is paid directly to the school upon completion of the excursion.
