Term 2 Week 2 – 06.05.2019

Attendance Matters

Principals are legally responsible for maintaining accurate records of student attendance. When reasons for absences, late arrivals or early leavers are provided to the school by parents, principals are accountable for their decision to record a student's absence as justified. Principals may decline to accept as satisfactory an explanation for an absence and/or partial absence and will record that absence as unjustified. If you are unsure of what determines a justified or unjustified absence, please contact the school.

REMEMBER, every minute in school counts.

Parents and Carers, please make your child's attendance a priority. Their future depends on it.

Janelle Radke

Principal
