2019/24

Term 3 Week 3 – 05.08.2019

Dear Parents and Carers

The theme for Education Week this year is **"Every Student – Every Voice"**. We are celebrating this year's theme through our commitment to ensuring we equip our students with the learning dispositions to be successful life-long learners. We aim to ensure our students are equipped with resilience to embrace challenges, have the aptitude to reach higher levels of achievement and have the adaptability and creativity to master new skills. We are committed to ensuring that our students are placed at the centre of our decision-making and that we continually strive for improvement and innovation. Through our strong relationships with our school community, we are ensuring that every student is known, valued and cared for. We warmly invite all of our parents and carers to visit our school to see the wonderful learning that is happening in all classrooms. **Please join us on OPEN DAY, Wednesday 7 August to celebrate Education Week 2019.**

REMINDER - Kindergarten 2020 enrolments are now OPEN! If you have a child at home that is ready for school in 2020 please contact the office as soon as possible so we can get you into our system. Ask your friends and neighbours too!

Later this term the choir and the whole school will learn a song by the "Music Count Us In" initiative which invites all interested schools across NSW to learn and sing the song on the same date: November 7th, 2019. Then later in term 4 the choir will work on their Christmas songs. Mrs T. Hill

Sussex Inlet Debating Teams Vs Culburra School

Last Wednesday the Sussex Inlet A and B debating teams had their final debates at Culburra Public School. The B team members included Melodie, Ella, Bridie and Alyssa. The A team members included Bella, Luke, Blake and Bree S.C. Our B team went first and won the coin toss to become the affirmative team. The topic for their debate was *'That schools near public transport should ban parents from dropping off and picking up their students.'* Melodie lead the debate with a strong opening backed up well by Alyssa. Ella summed up the teams arguments clearly and finished strongly with Bridie organising her team efficiently. Unfortunately the adjudicator judged that the Culburra team's arguments were stronger. The B team consists of all Year 5 students. This year has been a fantastic experience for these students. They will be a formidable debating team next year.

The A team were also fortunate enough to win the toss and become the affirmative team for the topic which was *parents should pay their kids whenever they help out around the house.* Bella once again defined the team's position strongly and was well backed up by Luke and Bree. Blake fed his team some excellent points of rebuttal. The adjudicator judged our A team to have stronger arguments then the Culburra team as such they won the debate making it 3 wins from 4 debates. Congratulations to everyone for a great effort and an especially big thankyou to the parents who transported our debaters to Culburra.
