SRC Lids for Kids

Last week was the final collection for the lids. We have collected approximately 25,000 lids.

We would like to say thank you to our wonderful helpers who volunteer their lunchtimes to assist in counting and sorting. Also a big thank you to all the students and community members who have collected lids for us.

Ms Coyle

It is with sadness I am informing you of my decision to relinquish my position as Assistant Principal and classroom teacher at SIPS.

I would like to thank students and parents for their amazing support in my time at our school. I leave SIPS with many wonderful memories of teaching and learning with my students and peers.

The fun and adventures along the way will ensure I always remember you, the very special people of Sussex Inlet Public School.

My greatest wish for SIPS students is that they value the wonderful education they receive at SIPS and go on to reach their full potential as happy, healthy, contributing members of the wider community.

A fond farewell

Karen Coyle

Premier's Reading Challenge

Certificates for this year's Premier's Reading Challenge have been presented to students. Well done to the 179 students who completed the challenge.

Congratulations to the 21 students who received the NSW Premier's Reading Challenge Gold Award this year and what a fantastic effort from the Kirsten S who received a Platinum Certificate. These students were acknowledged at the high noon assembly on the 2nd December. Recipients of the Gold and Platinum certificates have persisted each year with the challenge in order to receive these awards. Gold awards are given to those who complete 4 challenges and the prestigious Platinum award is received after 7 challenges. To receive the Platinum Award students have completed the PRC challenge in every year of their Primary school career – K-6.

Congratulations to you all!

Platinum Award recipients – Kirsten S

Gold Award recipients – Evie B, Lily F, Summer F, Ava McC, Jada McD, Hope P, Cameran B, Sean C, Harper C, Caleb D, Jordan F, James H, Liam S, Will H, Brianna McK, Julianna M, Legion B, Teanna C, Faith S, Tahlia Z, Tye A.

The students at SIPS know that the best way to improve their reading skills is to read every day and to read a wide variety of texts. Although this year's challenge is over, please continue to read as often as you can; as much as you can.

The 2020 PRC registration will begin in Term 1 of next year, usually around the beginning of March; however, students can enjoy and take advantage of the Challenge website at any time.

Many thanks go to the dedicated staff at SIPS and the families of our students for their outstanding job this year in supporting the Premiers' Reading Challenge.

"A great book should leave you with many experiences, and slightly exhausted at the end. You live several lives while reading." William Styron

Kingfish Awards

Last Wednesday 4th December it was my great pleasure to acknowledge our Kingfish Award recipients. The reward day was a “Challenge2bfit”. This is a fun way to encourage student to get fit using an array of inflatable obstacles, and sporting equipment.

The students who received their Kingfish award were first to try out the equipment. This year all students did get to sample the Challenge next year only the students who received the Kingfish award will be attending.

Congratulations to each one of you for your continuing commitment to our SIPS F.I.S.H. values.
