2020/3

Term 1 Week 3– 10.02.2020

Important information for parents and students

The department recognises that family breakdowns take place. Unless there is formal notice otherwise, it is assumed that both parents have shared and equal parental responsibility for their children and both parents have been involved in decisions regarding their children's education. This also means the school recognises that each parent has equal duties, obligations, responsibilities and opportunities relating to matters involving the school.

If changes occur in your family relationship which might impact on the relationship between the school and your family, you should advise the school immediately. This includes providing copies of any relevant court orders.

Medical Consent Form

Please return completed medical consent forms to the office as soon as possible. We are unable to administer first aid to your child without permission.

Staff Carpark

Please note that the car park is for staff use only. Parents/carers are requested not to drive into the car park to drop off and pick up students. Car park entrance is to be kept clear at all times.

Parking (near staff carpark)

Please leave room for children to walk on the path near the carpark gates.

It is dangerous when there is no access and they are walking on the road.

Update Phone Numbers

Please notify the office as soon as possible if any phone numbers have changed.
