Term 1 Week 4 – 17.02.2020

We all play a part

The best education happens when parents and schools work together

Thank you to all the parents, carers, grandparents and friends who attended our induction assembly last Friday. Watching parents pin the badges on their children and then take their place behind them for the reciting of the pledge, I felt an enormous sense of pride in our students and school. This year you will hear mentioned 'higher expectations' or 'raising the bar'. Join us in raising expectations and student engagement, by taking an active role in your child's education. As parents and carers, you create the home context for education and set the tone for how your child will learn. Your role as an advocate for your child's educational success cannot be overestimated. It has a direct impact on the ease and confidence with which they pursue their learning.

SIPS Swimming Carnival

On Thursday 13th February, Sussex Inlet Public School students had an excellent day at the 2020 swimming carnival held at Sussex Indoor Pool. Students displayed excellent sportsmanship and were led by their wonderful new house captains. A huge thank you to the parents who volunteered to help out with time keeping and those who came to support the students on this special day. Congratulations to Sam McNeil who broke the Senior Boys 50m Breast Stroke record with a time of 51.74 seconds, and Liliana Klimiuk who broke the Junior Girls 50m Breast Stroke record with a time of 55.34 seconds. A special thank you to Ms Coyle who came in to lend a hand, Mrs Elliott for her help organising the event and all the other SIPS staff who worked hard on the day. Thank you to all the pool staff for providing us with such a great venue.

Most importantly, congratulations to all students who competed and participated with great house spirit and to those students who encouraged their house mates with great enthusiasm. We have 22 students going on to Nowra Aquatic Centre on Thursday the 27th February for the District Swimming Carnival. We wish them all the best of luck.

A special ceremony will be held on Thursday 20th February at 11.30am in the school hall to present students with ribbons and medallions.
