All schools are returning to full on-campus learning from Monday 25 May. All students are expected back at school unless they are unwell or have a medical certificate to support their absence. Students who are residing with a family member in one of the categories identified as being at risk, should attend school unless a medical practitioner advises otherwise. The parent or carer should provide written confirmation from the treating health professional that the student is unable to attend school. We ask that you continue to drop off and pick up your child at the designated areas at the front of the school. School assemblies are currently on hold, as well as VIP readers, SRE lessons and school excursions and camps.

Reporting for Semester 1 will occur, but with some amendments. Reporting will focus on the learning that has taken place so far this year and will include student’s progress and achievements, as well as areas for development. Students will not be graded and we encourage parents and carers, if they wish to discuss their child’s progress, to contact the school to arrange for a phone call or meeting with the classroom teacher.

Lastly, I want to thank the school community for supporting us in providing work from home and remote learning. These have certainly been unusual times for everyone and it was so good to be greeted at the front gate this morning by lots of smiling faces.

Janelle Radke – Principal

Year 5 & 6 Camp
Great news the ‘The Great Aussie Bush Camp’ at Kincumber will be going ahead on Monday 14th December to Wednesday 16th December, 2020. The cost of the camp remains at $345.00. You can make payments by instalments and you can also pay online with POP. Don’t forget to deduct the $50.00 deposit that you have paid.
We do request that all payments to be finalised by Friday 18th September.

Kindergarten Enrolments
Sussex Inlet Public School is now taking enrolments for 2021. If you have a child/ren that is eligible to commence school in 2021, or know of anyone who has, could you please come to the school to complete an Expression of Interest and provide your child's details. The school would also like to know from anyone who may have children eligible to commence school up to and including 2025.
Positive Behaviour for Learning (PBL)
Sussex Inlet Public School has reviewed this year’s PBL award structure. Unfortunately, our normal school operations, face to face teaching and student attendance has been severely disrupted this year due to the Covid 19 pandemic. Within our PBL award system this means that our well deserving students have not been receiving and being recognised for their hard work, great behaviour and for following and upholding our school Fish Values of Fair, Inclusive, Safe & Honest.
In order to support our students we have amended our PBL Award system for 2020 so as students, when they return to school, can again start to fill up their Starfish Award charts and booklets and strive for the Silver bream and Kingfish Awards as usual. We are still aiming for deserving students to receive the Kingfish Award at the end of this year and to be recognised by the Principal with a fun reward day.
The new Award Structure for 2020 is below, with the following changes having been made.
Students now need to receive 2 Starfish Awards (not 4) to receive their Silver bream Award, then a further 3 (not 4) Starfish Awards to receive their Kingfish Award.
We look forward to everyone striving for Positive Behaviour for Learning goals.

P & C News
Uniforms can be purchased at the front office.

Canteen News
Canteen will be operating this week – Wednesday, Thursday and Friday as normal with a full menu.
